

2018 New Member Scholarship

The Panhellenic Executive Council would like to invite New Members to apply for the 2018 New Member Scholarship. We have 3 Scholarships available this fall, all of which are to provide New Members with an opportunity to receive scholarship money to relieve them of financial pressures during their first quarter in their respective chapters. We understand the financial obligations that Panhellenic women have and we hope through this scholarship, strictly for new members, we can encourage influential women to join our wonderful community and create greater access to Panhellenic here at Cal Poly without the stress that comes along with finances. If you have any questions, please contact the Panhellenic Vice President, Donia Soheili, at pha.vp.calpoly@gmail.com.
